

Elmhurst Heritage Foundation

In 2007, the Elmhurst Heritage Foundation was established as a non-profit 501(c)3 organization, created by the merger of the former Elmhurst Historical Museum Foundation and the City of Elmhurst's Historical Commission.

The focus of this citizen-driven group is to bring community support to the Elmhurst Historical Museum and the Churchville Schoolhouse, two important cultural institutions that allow residents and visitors to experience the rich and varied history of Elmhurst.

Our Town. Our History. Our Heritage.
